

OLD DIORAMA ARTS CENTRE CREATIVE PROGRAMME 2019

ARTIST-IN-RESIDENCE SCHEME OPPORTUNITY

This opportunity allows aspiring and established UK-based artists access to an ample naturally lit mezzanine-level studio space in The Old Diorama Arts Centre, central London. The residency consists of three months exclusive studio-use with a supported exhibition at the conclusion of the term. Creative criteria and nature of the work expected from successful applicants is intentionally open to allow innovative approach, free expression and artistic development.

Free support offered to successful applicants

- 2 month's use of the naturally lit mezzanine-level artist studio.
- 2 weeks use of public gallery café for exhibition at the end of the residency
- Use of gallery for opening event, 6-8pm (negotiable), projector available.
- Paid technician to install and remove the exhibition.

Conditions that successful applicants must agree to fulfill for Old Diorama

- Create new work; visit regularly (at least three times during the week)
- Allow ODAC to take photograph any work made in studio during residency and use these for promotional purposes i.e. brochures / social media
- Post on social media for ODAC about their work and residency at least once a week and promote their opening event to their own contacts and networks
- Attend opening event and others in gallery (most 6-8pm) during their stay
- Facilitate public and private open-studio viewings and welcome visitors
- Move out of studio by 6pm on the last date of their allocated studio slot
- Pick up artwork on designated last day of exhibition (limited storage)

Your application should include the following:

- CV and 1-page artist's statement describing your work
